RE: MTC TIP Amendment 2007-09

Dear Mr. Aljabiry:

I am writing to notify you of several changes MTC recently made to the 2007 Transportation Improvement Program (TIP) with administrative amendment number 07-09.

Amendment 07-09 updates the project listing and funding for 28 projects with a net funding change of \$2.6 million. The significant changes are as follow:

- 1) Makes minor funding modifications to two Caltrans Lump Sum project listings, the Iron Horse Trail Over-crossing project in Walnut Creek as well as several Lifeline projects for a total net change of \$2.6 million;
- 2) Modifies the project scope and limits for a Livermore Amador Valley Transit Agency (LAVTA) project, a Port of Oakland project, a City of Walnut Creek project and a Santa Clara County project with no funding change;
- 3) Transfers \$203,000 between two projects in Solano County; and makes
- 4) A technical correction to the Montague Expressway Rehabilitation project in Santa Clara.

The revisions made with this amendment will not change the air quality conformity or conflict with the financial constraint requirements of the TIP and therefore a conformity determination is not required. The changes also meet the criteria for changes that may be made administratively.

The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>.

They will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 817-5799.

Sincerely,

Therese W. McMillan
Deputy Executive Director, Policy
